

RESOLUTION 2022-1
2022 Public Safety Facility Bond

WHEREAS the City of Kerrville is charged by its citizens to keep them safe through effective law enforcement and firefighting services, and

WHEREAS the current Police Department is located in an old bus station that has many structural issues; and

WHEREAS, the Kerrville Fire Department is currently leasing office space that will cost the City over half a million dollars over the next decade, and

WHEREAS, Municipal Court is located in a metal building that is not designed to meet the current needs of the Court, and

WHEREAS, the City's Information Technology Department dedicates over 75% of their time to the Police & Fire Departments and the Municipal Court, they need to be located with these entities, and

WHEREAS, the City Council developed a process for strong citizen input during the evaluation and planning process,

Now, therefore be it resolved by the **KERRVILLE AREA CHAMBER OF COMMERCE** that the 2022 Kerrville Public Safety Facility Bond (Proposition A on the May 2022 Ballot) is an important next step for the City of Kerrville to keep our businesses and our community safe and encourages our members and the community to support Proposition A on the May 2022 ballot.

ADOPTED as of the 8th day of April, 2022.

Allison Bueche, Chair of the Board
